Ammoniated Soluble Superphosphate | Ammoniated Soluble Superphosphate

THE STAR AMMONIATED SOLUBLE SUPER PHOSPHATE, having gained on its own merits, the greatest reputation of any Fertilizer ever sold in the United States,—Other manufacturers, are using the trade mark of the "STAR," for their articles, much inferior in quality, and that cost 100 per cent less, in order to make money for themselves, regardless of the interest of the poor farmer. The manufacturers of the original "STAR," with ourselves have determined, in order to prevent the great impositions, now being practiced in some parts of the United States, and to save the name of that

GREAT AND GOOD FERTILIZER,

formerly known as the "STAR" to change the trade mark to L. & R. with the above cut, which has been duly patented. Next Season each sack will contain precisely the same Fertilizer as we sold last season, but will be stamped with the new trade mark, and the words

FORMERLY THE STAR AMMONIATED

SOLUBLE

SUPER PHOSPHATE

will be printed on the back of each sack with the analysis. We refer to all farmers who have used the STAR as to the reputation and value of the article as a Fertilizer.

THE ELECTIONS.

A STILL SOLID SOUTH!

Florida, South Carolina and Louisiana Democratic!

RADICALS ON THE SWINDLE.

A Gathering at New Orleans

SHALL THE VOICE OF THE PEOPLE BE DEFEATED?

A ROUSING VICTORY FOR NORTH CAROLINA!

Tilden's Majority 18,000---Vance's 15,000!

THE SUN OF RADICALISM SET FOREVER!

THE VERY LATEST.

NEW YORK, Nov. 10.—A dispatch from New Orleans received at the Democratic headquarters here says Louisiana has gone for Tilden by 5,000 to 10,000 majority.

NEW ORLEANS, Nov. 10.—Midnight.—Official and unofficial and reported returns from 51 parishes, including Orleans, give a democratic majority of 9,471—a democratic gain of 6,505. The six parishes to be heard from gave in 1874 democratic majorities of 2,094. The democrats claim the State as absolutely certain, by not less than 6,000, after making liberal allowances for contingencies.

NEWS OFFICE, Nov. 11, 3 A. M.

The confidence expressed in our last issue, of Democratic success in the States of South Carolina, Florida and Louisiana, is now reduced to absolute certainty. The telegrams of last night are sufficient to banish the last vestige of doubt from the mind of every reasonable man. In addition to this, the dispatch of Senator Kelly published in another column, taken in connection with the fact that Oregon went Democratic in the last election, gives us what we consider reasonable grounds to hope that that State has also gone Democratic. If, however, it has not, the fight turns upon the three Southern States hitherto named. That the Republicans will make an effort to defraud us of the fruits of the Democratic victory in these States, cannot be doubted; but with what show of success will probably not be known before Monday or Tuesday next. However, we have an abiding faith in the magnificent genius of the man who has worked out his election by such wonderful generalship, and will not believe that he will permit himself or the country to be deprived of the victory which has been won by such consumate skill and untiring efforts. The latest information concerning the election in this and other States, will be found below:

THE STATE ELECTION.

Surry.

This county gives Tilden a majority of 362; Vance 249; Ratification 307.

Stokes.

Tilden gets 242 majority; Vance 113.

Cumberland.

Official.—The democratic electoral ticket get a majority of 107; Vance and State ticket 47; Waddell, democratic candidate for Congress 56; Troy, democratic candidate for Senate, 24. The two democratic candidates for the House of Representatives, Rose and Godwin, get 49 majority. The Amendments are rejected by a majority of 14.

Davidson.

Davidson goes republican by 121 majority. Money and whiskey freely used by the radicals.

Bertie.

The Republicans will not carry this county more than 465 which is a gain of 100 on the Caldwell vote. Lindsey, the republican candidate for Congress, will get about 300 majority over Yeates, democrat. A large loss.

Moore.

This county gives Vance 138 majority and elects J. D. McIver, democrat, to the House of Representatives. This is remarkably good for Moore as the vote of 282 negroes on the R. & A. L. R. R. had to be overcome, who were not in the county at last election.

Davie.

Vance's official majority is 303; Ratification 344.

Burke.

The official count gives Vance 576 majority in this county; Ratification 663. Vance's gain over the Merrimon vote is 407. Tilden carries the county by 637. J. W. Wilson, Democratic candidate for House of Representatives, is 552. Folk and Young the Democratic candidates for Senate in this District have probably 2,000 majority.

Our Gains in the West.

ASHEVILLE, Nov. 9.

Gen. W. R. Cox:

The returns sustain our last report. In Transylvania we gain about 100 votes. I am satisfied that we gain largely over 3,000 in the west over the Merrimon vote of 1872. We claim that in this district (8th) Vance's majority is 6,000. The Amendments run ahead of the State ticket. The west sends greeting to her eastern brethren. Later returns put the Democratic majority in Haywood county over 700, a Democratic gain of something over 400.

R. M. F.

Hyde.

This county gives a democratic majority of 200. This is a democratic loss of six on the Merrimon vote.

Bladen.

Clark, democratic candidate for House of Representatives is elected. This is a democratic gain. Vance also carries the county.

Baunswick.

This county goes 100 to 150 democratic; a very large gain. Bennett, democrat, is elected to the Senate from this and Bladen county.

Buncombe.

Thos. D. Johnston, democratic candidate for Senate is elected by 800. M. E. Carter and J. C. Sams, democrats, are elected to the House of Representatives by a majority of 837. Vance's official majority is 879.

Madison.

H. A. Gudger, democratic candidate for the House of Representatives is defeated by a very small majority. This is a *democratic* loss.

Yancey.

A large democratic gain is reported in this county. Proffit, democratic candidate for the House of Representatives is elected by a handsome majority.

Rockingham.

REIDSVILLE, Nov. 10.

Gen. W. R. Cox:

The vote heretofore reported for Rockingham is too small. The following majorities are official and accurate: Tilden 657, Vance 579, Ratification 615, Jarvis 591, Engelhard 595. In Congress Scales gets 760 majority. The gain over the Merrimon vote is 352.

Greene.

This county gives Settle an official majority of 188.

Henderson.

This county gives Settle an official majority of 70, a Democratic gain of 140 over the vote of 1872.

Richmond.

Settle's official majority in this county is 145, a democratic gain over the vote of 1872 of 143.

Surry.

In this county Tilden's official majority is 352; Vance 149. Robbins, democratic candidate for Congress gets 372 over Dula, republican. Ratification 307. Graves, democrat, is elected to the House of Representatives. Marler, democratic candidate for Senate gets 492 majority over Jones, republican.

Lenoir.

Settles' official majority is 177; Rejection 330.

Pamlico.

Vance's majority 224; Tilden 235; Ratification 196.

SOUTH CAROLINA.

AUGUSTA, Nov. 10.—The United States troops have been ordered from South Carolina to Florida. Two companies stationed at Aiken leave this afternoon for Tallahassee.

NEW YORK, Nov. 10.—The associated press has received the following from a source other than its regular agents:

CHARLESTON, Nov. 10.—This county gives the republicans 6 213 majority. Nearly all the counties heard from officially or unofficially, give Hampton, democrat, for Governor, 2,213 majority. The democratic Presidential ticket is not cut as much as was at first supposed and it is not believed that Tilden will fall more than 400 or 500 behind Hampton. It does not appear possible for the republicans to overcome the figures above given from the counties not officially heard from.

CHARLESTON, Nov. 10.—The latest revision of the returns by the *News and Courier*, gives South Carolina, beyond all doubt, to Tilden and Hampton by over 1,200 majority.

NEW YORK, Nov. 10—The members of the National Republican Committee express entire confidence that Hayes has been elected. At the democratic headquarters in the Everitt House the Secretary of the National Committee says that the dispatches received to-day confirmed the claims of victory for Tilden.

J. Barnwell Rhett, of South Carolina, telegraphed to the committee this morning that over and above a liberal estimate for republican frauds, the democratic electoral ticket and Hampton were elected by from 1 200 to 2 500 majority. He also said that a dispatch from Stokes Boyd, a prominent politician in Florida, declared that that State had gone for Tilden by a majority of 18 700.

D. Magone, Jr., Chairman of the Democratic State Committee, declared his full confidence that Louisiana and Florida had given democratic majorities, and was not positive, though hopeful, in regard to South Carolina.

CHARLESTON, Nov. 10.—Leading republicans concede the State to the democrats by the returns, but say they will throw out enough democratic counties to reverse the result.

CHARLESTON, Nov. 10.—The *News and Courier* has just received official advices from the last of the counties hitherto reported unofficially, making Hampton's majority for Governor 1 434. Tilden's majority may fall 200 or 300 behind Hampton's, but it is certainly over 1,000. The republicans here do not dispute the correctness of these returns, but say the State canvassers will throw out several of the counties giving large democratic majorities, and that this will give the State to Hayes and Chamberlain. The democrats do not seem to heed this threat, but are firing salutes, and otherwise celebrating their victory.

ARKANSAS.

LITTLE ROCK, Nov. 10.—The election of Congressmen in this the 3rd District is still in doubt between Cravens and McClure, republicans. Only the official count can decide.

Company C, 14th U. S. Infantry, stationed here, was to-day ordered to New Orleans.

MASSACHUSETTS.

BOSTON, Nov. 10.—Dean, democrat, is elected to Congress by the official count.

OREGON.

SAN FRANCISCO, Nov. 10.—Full returns from 20 counties in Oregon show a Republican majority of 1,203. There remains but three more counties to be heard from, two of which will offset each other, and the third will give 50 republican majority.

WASHINGTON, Nov. 10.—Senator Kelly telegraphs to-day to his wife, in this city, denying that he has conceded the State to the republicans. He says the result in Oregon is doubtful, with the chances in favor of a small democratic majority.

OHIO.

COLUMBUS, Nov. 10.—Gen. Wikoff, chairman of the republican State executive committee, furnishes the following information: "The sixty-nine counties of Ohio heard from up to noon to-day, show a republican loss of 162 on Barnes' majority at the October election. The indications are that Hayes' majority will be about 6,000."

COLUMBUS, Nov. 11.—The Republican State Committee now have semi-official returns from 86 out of 88 counties of Ohio, which show a net republican gain of 623 over Barnes' majority in October, which was 6,636. If the two counties still out should cast exactly the same vote they did in October, Hayes' majority will be 7,259.

CALIFORNIA.

SAN FRANCISCO, Nov. 10.—Returns from the southern district do not yet certainly show whether Pacheco, rep. or Wigginton, dem. is elected. The chances favor the former. Luttrell, dem. is probably elected in the 3d district.

Nothing additional has been received from Oregon or Nevada.

NEW YORK.

NEW YORK, Nov. 10—11 P. M.

Sion D. Williams:

Returns received to-day from the South confirm the reports of last night. We have, undoubtedly, decided majorities in Louisiana, Florida and South Carolina.

W. T. PELTON.

INDIANA.

INDIANAPOLIS, Nov. 10.—72 counties in full show a Democratic gain of 263 over the October election. The counties to be heard from gave a net Democratic majority of 5,349 to which is to be added 114. Tilden's probable majority 5 463.

INDIANAPOLIS, Nov. 10.—Returns from all but three counties give Tilden 3,887 majority, a democratic gain of 251. Three counties to be heard from—Adams, Crawford and Pike—gave 1,563 democratic majority last month, indicating a majority for Tilden of 5,450 in the whole State.

FLORIDA.

NEW YORK, Nov. 10.—A Western Union bulletin, dated Lake City, Nov 9, midnight, says: "The Jacksonville *Press* will issue a leader tomorrow, giving Florida a democratic majority of 1 638 prepared by experienced men, and based on reliable returns and carfully compiled estimates."

WASHINGTON, D. C., Nov. 10.—A Western Union bulletin, dated Lake City, Nov. 9, 11:30, says: 'The steamboat referred to, reached Palatka at 11 p m, with the returns from St. John's River, showing increased democratic majorities. It is conceded by the best informed that the State will give at least 1,700 majority."

NEW YORK, Nov. 10.—The *Herald* bulletin says that full returns from 23 counties give Florida to Hayes by nearly 5,000 majority. The republicans claim that Hayes will carry the State by over 1,200.

NEW YORK, Nov. 10.—The following bulletin is posted at the *Herald* office: A private dispatch just received at the democratic headquarters, says that Florida has gone democratic.

The *Evening Post* bulletin has the following: The revenue collector at Jacksonville, telegraphs that he is sure the State is republican.

WASHINGTON, D. C., Nov. 10.—Four companies of United States troops left South Carolina to-day for Tallahasse, Fla, Gen. Ruger accompanies them.

NEW YORK, Nov. 10.—The Western Union Telegraph Company bulletins the following:

LAKE CITY, FLA., Nov. 10, 1:30 p. m.—Partial returns from Manatee county, from reliable sources, give a democratic majority of 338, a democratic gain of 166.

NEW YORK, Nov. 10.—Secretary Chandler to-day received the following dispatches:

TALLAHASSEE, FLA, Nov 10.

Returns from 23 counties give the republicans 4,500 majority. Thirteen counties to hear from cannot reduce this majority below 1,000.

(Signed,) M. MARTIN,
Chm. Rep. Cam. Com.

The following dispatch was also received:

TALLAHASSEE, FLA., Nov. 10

All quiet in the State as far as we know. Since last night the county canvass has been completed in two or three counties. Jefferson, Madison, Leon, Gadsden and Duval give 6,000 republican majority—a large gain.

(Signed,) M. MARTIN, Chm.

WASHINGTON, Nov. 10.—General Sherman last night received telegrams from the Secretary of War, who is in Philadelphia, to order General Ruger to send as many companies of troops to Tallahassee as could be spared and to go himself in person. General Ruger answered that he had ordered nine companies and would order five more, and would go in person as ordered.

General Sherman to-day received the following dispatches from the President:

PHILADELPHIA, Nov. 10.—*Gen. W. T. Sherman*, Washington.—Instruct General Augur in Louisiana and General Ruger in Florida to be vigilant with the force at their command to preserve peace and good order and to see that the proper and legal boards of canvassers are unmolested in the performance of their duties. Should there be any grounds of suspicion of fraudulent count on either side, it should be reported and denounced at once. No man worthy of the office of President, should be willing to hold it if counted in, or placed there by fraud. Either party can afford to be disappointed in the result. The country cannot afford to have the result counted by the suspicion of illegal or false returns.

(Signed,) U. S. GRANT.

PHILADELPHIA, Nov. 10

Gen. Sherman, Washington, D. C.—Send all the troops to General Augur, he may deem necessary to insure entire quiet and peaceable count of the ballots actually cast. They may be taken from South Carolina unless there is reason to suspect an outbreak there. The presence of citizens from other States, I understand, is requested in Louisiana, to see that the board of canvassers make a fair count of the vote actually cast. It is to be hoped that representative and fair men of both parties will go.

(Signed.) U. S. GRANT.

SAVANNAH, GA., Nov. 10.—Transportation has been ordered for troops to pass through this city to-night for Florida. Advices from Florida say that the State has undoubtedly gone democratic by 2 000 majority. There has been no disturbance as far as heard from.

SAVANNAH, Nov. 10.—Advices to-night from reliable sources say that Tilden, Drew, the Congressmen and Legislature are elected in Florida. The eight counties of Duval, Alachua, Gadsen, Jefferson, Leon, Madison and Nassau, give an aggregate republican majority of 6,534. The other counties of the state certainly go democratic. Returns from 13 counties, Baker, Bradford, Clay, Columbia, Hamilton, Jackson, Levy, Monroe, Orange, Elk, Putnam St. Johns and Pawnee, give aggregate democratic majorities of 3,620. The remaining 18 counties in 1874 gave democratic majorities aggregating three thousand and 206. This without any doubt would give a total majority of 6 524, and elect the democratic ticket by a majority of 292. The 18 counties to hear from, however, will certainly increase the majority of 1874 from 1,200 to 1,500, and the entire ticket will be elected by a majority ranging from 1 200 to 1,500. The State has most certainly gone for Tilden and Hendricks.

The radicals will endeavor to change the result by State canvass of the returns. Prominent officials have declared that the State shall go radical if it is necessary to count 1000 majority out at every poll in Jefferson county, but the outrages contemplated will not be submitted to. The people are aroused and the indignation is difficult to control. The Democratic State Executive Committee are vigilant to prevent fraud.

Another dispatch says that both parties claim the State. Great excitement prevails. Drew is elected by at least 1,200, but with Chandler's million of dollars and the army to back them, it is feared the Radicals will count him out. The honest people of the State may not submit to it, and trouble is expected.

LOCAL MATTERS.

Telegraphic Transactions.

Bundles of telegrams, duplicates of private dispatches which have passed through the office here during the past few days, are piled up in the office to the amount of a trunk full. The operators have been working day and night, but little snatches of sleep "between times," and the business of the office has been greater than it has been since the Merrimon-Caldwell election of 1872. Then it was worse than it is now. Every fellow sent his little telegram then, and the click of the instruments was ceaseless. During the exciting times of the past few days, Messrs. Starke, Busbee, Hill, Jones and Ferrill have done their part right nobly, and yet as insignificant a prayer as could be uttered is that the Lord will give them a little more credit for their fidelity than the public will ever think of giving them.

A North Carolina Bureau in London.

James Thorn, of 85 Grace church street, London, proposes to establish in that city a bureau at which can be obtained all information concerning the geology; agriculture, climate, soil and other advantages of the State of North Carolina. This is for the benefit of capitalists who may propose to emigrate to this State or purchase lands here. Such a bureau in the great city of London, can be productive of nothing but good to our State, and we hail the news of its establishment with sensations of real gratification, believing that by means of it people across the waters will learn more of the desirability of our State for residence or investment than is likely to be communicated to them in any other way.

The Prevailing Dullness.

Anxiety to learn how the votes of South Carolina, Florida and Louisiana will be returned and who will be declared President upon these returns, absorbs all things else. The public talk and think of nothing except politics. Before a reporter can ask a man for news he is asked for news himself, and is so beset that he is glad to get through the streets with his life. By and by we shall all get down to a business basis again, but at present the public is wild on politics and can bring itself to think and talk of nothing else at all.

Meeting of the T. and V. Club.

We are requested to call a meeting of the Young Men's Tilden and Vance Club, to take place at Metropolitan Hall on Monday evening next. This is perhaps a final meeting of the club, and considerable business is to be transacted. The members are urged to attend in force and with promptness.

KILPATRICK'S VISIT.

General Judson B. Kilpatrick departed from our midst yesterday morning. He left by the earliest train, for Washington, we presume. He came as a thief in the night: he departed like a detected criminal. He came—he saw—but, unlike Cæsar, he did not conquer: he wilted. He sneaked into the city: spent the night with the carpet-baggers and the Governor; and then he shook the dust of Raleigh off his feet; nor did he stand upon the order of his going, but went at once.

It would be idle in him or his friends to attempt to conceal the object of this nocturnal visit. Its purpose was manifest—to devise some scheme by which we might be cheated out of our victory. Some sort of devilish tactics were to be employed; [illegible] seizing upon technicalities; some buying up of those entrusted by the law with consummating the verdict of the people at the polls. Unquestionably, he was on mischief bent.

His mission failed. The prompt exposure of his designs, disconcerted his plans; and he has ignominiously fled to the tents of wickedness from which he came, with as much haste as characterized his flight in his night-shirt, when Wade Hampton charged him through the woods near Fayetteville eleven years ago.

He seems to have not succeeded in capturing the Secretary of State, to serve his diabolical purpose. In a statement which we publish elsewhere to-day, Dr. Howerton denies that he was closeted with Kilpatrick, as we alleged on yesterday, and insists that he never saw him in his life, and that he knows nothing about any conspiracy, and has "nothing whatever to do with it."

We are glad to have this declaration from the Secretary of State. We did not believe that he would enter into any conspiracy of this nature against the liberties of the people of his native State. No evil designs against the returns can be carried into effect without Howerton's connivance. These returns involve the very life almost of the nation. They will be watched with unceasing vigilance from now until Tilden is seated in the Presidential chair.

Let the man, here or elsewhere, who even harbors the base thought of tampering with these recorded evidences of the people's will, beware! The day for quiet submission to wrong-doing has passed. We are free now to defend ourselves. We will not be robbed of a right—nor a privilege—nor even a single ballot. And it is well for the Kilpatricks to slink away.

ONE of the impossible things is to tell how many of the Radicals deserted Settle on the 7th. They are numbered among the thousands. Deserters are not as popular now with his Honor, as they were. He has found now, perhaps, that the men who did desert didn't thank him for reminding them and the people of it; and that the brave men who stood to their guns until the last shot on the field of Appomattox, despise the man who would seek to make capital out of desertion.

WHAT was Governor Brogden doing with Kilpatrick Thursday night? We believe he was there for mischief. Let him speak out now, or forever hereafter hold his peace.

SOUTH CAROLINA is redeemed. It was not in vain that the good people of that stricken land went with their troubles to the throne of one mightier than Presidents and parties.

THE RADICAL GAME.

It is all apparent now. The plot against the liberties of the people stands revealed—and it is an ugly thing to be sure.

The game is this: South Carolina, Florida and Louisiana having gone Democratic, undoubtedly, the Republicans propose to falsify the returns by an act of unblushing, and unparallelled despotism, so as to give the certificates of election to the Hayes electors, in spite of the popular vote for Tilden; and take the chances in the official count at Washington.

The knowledge of this conspiracy transpiring in the States of Florida, Louisiana, and South Carolina, has aroused public indignation to a pitch which threatens open violence to the arch-scoundrels who are manipulating this scheme. Hence the rushing of troops into Florida, and the activity in military circles in South Carolina and Louisiana.

The aspect of affairs is grave, indeed. The people have elected a President; and the office-holders are saying he shall not be counted in That is the situation.

Gov. Tilden is equal to the emergency. The Napoleon of politics, he has inaugurated a movement which promises to defeat the devils.

At his suggestion, the good and the great men of the North are hurrying to the Crescent City to see that fair play is done. AN HONEST COUNT IS DEMANDED, by Northern men. United States Senators and Governors, who wield a military power not inferior to that of the White House Despot.

Let the South stand with folded arms—at present. We have given the Northern people an honest man for President. Let them seat him or not, as they choose. We have Vance. God bless him!

THE day of the carpet-baggers is ended. The next one who comes will be as much disappointed when he noses around for something to steal, as was the Jerseyman, who, when asked into the art gallery of the exposition the other day, after looking about with a disappointed air, said to a friend, "I reckon the show must be about over. I see they've taken out all the the things, and left nothing but some pictures hanging on the walls."

DR. HOWERTON appears in a card to-day, denying the allegation that he was with Kilpatrick Thursday night. He recognizes that it was a disgrace to be connected with such a conspiracy as Kilpatrick plotted, and is quick to exclaim with Macbeth:

"Thou canst not say I did it: never shake
Thy gory locks at me."

THE office-holders who have been fattening on the people for eleven years, must now prepare to work for an honest living. Every mother's son of 'em should be turned out of the places they now hold.

THE ink-slingers paraphrase it thus:

Now is the winter of Southern discontent,
Made glorious summer by this son of New York,
And all the clouds that lowered o'er our land,
In the deep bosom of the ocean buried.

THE Greensboro ring has been smashed. Vance, Scales, Holt, Staples and Lyndon Swain did it.

TILDEN'S broom will sweep the carpet-baggers clean—into the penitentiaries, we hope.

BROGDEN and Kilpatrick. They were thick as thieves that night.

WE have at last found the turning in that long lane.

Victory.

[*Petersburg Index-Appeal.*]

The Election of Mr. Tilden to the Presidency of the United States, is established beyond the shadow of a doubt by the dispatches which we publish in other columns. At the hour of of 8 a. m. at which we write, it is impossible to do more than congratulate our readers and the good people of all the country, on this grand victory of Reform, by which the Constitution is given new strength and life, and the bonds of sectional fraternity knit anew. Fortunately, the result is not due alone to the vote of the "solid South." Great States of the North have come up grandly to the support of Tilden and Reform. There cannot be the shadow of a pretext for revolutionary proceedings on the part of the President, or the Senate. Let us thank God, and take courage.

Splendid has been the fidelity and courage with which the Democracy have fought their fight and won the victory in New York, New Jersey, Connecticut, Indiana, and perhaps Wisconsin, Pennsylvania, and Michigan. Especially grateful to us, as Southerners and Virginians, is the redemption of the Carolinas. All honor to Vance and Hampton—the heroes of this victory of peace.

Spain still proclaims through the Premier, Canovas del Castillo, that she will not give up Cuba at any cost. There is however, a suspicion of whistling to keep the courage up in the fact that such an announcement is made at all, while every soldier that can be spared is being packed off to the Gem of the Antilles.—*N. Y. Herald.*

Deplorable Condition of the Poor of New York.

Dr. Raborg, of New York gives a most deplorable account of the situation of the homeless poor of that city. He says that among them are forty thousand vagrant children and that many soldiers' widows, dependent on sewing for a living, are at times compelled to seek the police stations for shelter and a place to sleep in. With respect to the homeless children, he states that hundreds of them become confirmed drunkards and thieves before attaining the age of twelve years, supplementing the statement with the assertion that there are groggeries in which a child is sold a drink of intoxicating poison for a cent. Dr. Raborg personally investigated these matters, and claims to know whereof he speaks. He adds that all the metropolitan asylums for needy children are overcrowded, notwithstanding the large number left to the mercy of the streets.

"I believe if the election turns is favor of the Democratic ticket it will produce a millenium. Our citizens will begin to repair the damages which the war has made in their business. We are not prosperous. How can we be prosperous? Since the war we have done nothing but contend against one another. Our public representatives have been legislating as class against class; have imposed burdensome taxation; have been holding a carnival of public plunder, and erecting a class of office-holders against the people.—*S. J. Tilden.*

PERSONAL.

Mr. Bayard Taylor considers that the highest order of works which merely amuse are those of Bret Harte.

The Paris *Journal des Debats* refers to J M. Baily the Danbury *News* man, as "J. M. Barley, the news dealer of Danbury."

Miss May, the bride or bride elect, as the case may be, of James Gordon Bennett, has expended $20 000 on on her trousseau, which has lately arrived from Paris.

Hon A. H. Stephens walked three or four miles the other day. He no longer uses morphine, and has sound natural sleep While getting well he has been writting for one of the cyclopaedias.

Bessie Turner is a waitress in a downtown restaurant, in Nwe York having lost a fine position as teacher by testifying for Plymouth church, which having no further use for her, leaves her to shift for herself.

It is stated that George W. Childs has bought the New York *Tribune*, to be delivered after the election, without its real estate for $500,000. He will take hold just in time to write one of his incomparable obituaries for the Republican party.

Gen. George Stoneman, United States army, has written a letter favoring the election of Tilden and Hendricks. He states that thirty out of the fifty living generals of the Federal army, who took part in the late war, are supporting the Democratic candidates.

Burlington Hawkeye: "They are performing the cantata of 'Joseph' at the opera house in Des Moines. They had no trouble in securing talent to represent most all the members of Potiphar's family, but they had to send clear to Burlington to get a man to play Joseph."

Governor Tilden was registered in New York on Friday in the twenty-third election district of the sixteenth assembly district, at No. 244 third avenue. He said he lived at the election district eleven years in the assembly district twenty-three years, and in the county thirty-seven years, and was sixty two years old.

John Esten Cooke, in a sketch which appears in the Detroit *Free Press*, speaks of the early trials of Thomas Jefferson, and how the sage of Monticello, was crossed in love. He adored a Miss Burwell, she must have given him the mitten, for we soon find him writing in the saddest strain about his prospects and planning a sail boat voy age to Europe.

South Carolina.

R. W. Best, Esq., of this city, has just returned from a week's sojourn in Columbia, South Carolina. He says that the announcement of the splendid Tilden and Vance victory in this State was received in that city with the wildest enthusiasm. Cannon boomed, bells rang and sky-rockets ricocheted. Mr. Best also informs us that there is no doubt of a Tilden and Hampton triumph in that State. On Thursday, he says, General Ruger, commanding the United States troops in South Carolina, requested General Hampton and L. C. Haskell, Chairman of the Democratic Executive Committee, to withhold further election returns from the public in the interest of peace and good order. The negroes in that city and State are in terrible excitement, and grow perfectly furious when returns unfavorable to the Republican party are made. From the conversation of Mr. Best we are led to the belief that the Democrats have certainly elected their National and State ticket in South Carolina.

Dr. J. M. Worth Appointed State Treasurer.

His Excellency the Governor on yesterday tendered to Dr. John Milton Worth, of Randolph, the appointment of State Treasurer, which office will be vacant on the 22d inst, on account of the resignation of Treasurer Jenkins. Dr. Worth is the Treasurer elect, and he is appointed in accordance with an understanding between Gov. Brogden and Treasurer Jenkins when the latter resigned. In the letter tendering the appointment, Gov. Brogden urges upon Dr. Worth that he accept it, and take charge of the office immediately upon its being vacated by the present incumbent. He will no doubt do so.

Street Repairs.

The streets in different parts of the city are showing the good effects of the well-directed efforts of Street Commissioner Andrews. He has recently put in thorough repair the road leading up from Rocky Branch, just this side of insane asylum, through South and West streets, and the lower part of Wilmington, and has made new the Holleman road to the city limits.

Mayor's Court.

Tom Williams, colored, was arraigned for disorderly conduct, and was fined $5 and cost.

Wm. Matthews, for being drunk and disorderly, was dismissed upon paying the cost.

Andrew Pierce, colored, was up for perjury, in attempting to register and vote, he being a minor. He was bound over to court in the sum of $100.

Convicts Received.

Deputy Sheriff G. W. Murray, of New Hanover, arrived in this city yesterday, bringing to the penitentiary six convicts, all colored and all convicted of larceny. Their names and terms are as follows: Lewis Silvie, 5 years; Laurena Williams, Simon J. Winslow, Geo. Washington, John Johnston and Sheridan Devane, all in for 5 years.

Durham Delighted.

Last night we received a telegram from this flourishing little metropolis, stating that the whole town and township was rejoicing over the Vance victory and Tilden triumph. All the houses were illuminated, tar barrels blazed, bands played, cannons fired, sky-rockets hissed, and firecrackers popped. There was also a torchlight procession nearly a mile in length, with transparencies bearing all sorts of humorous and appropriate mottoes. Speeches were made by Messrs Lucas Lyon, Green, Parish, Webb, and Lunn, the colored democratic orator. Our telegraphic correspondent winds up by saying, "On earth peace, good will toward men."

A Sad Occurrence.

We regret to learn that Mrs. Geo. E. Badger, relict of that lamented and illustrious North Carolinian, the late Hon. Geo E Badger, was prostrated by a stroke of paralysis on yesterday. Mrs. Badger is an aged lady, but we, together with the whole community, hope sincerely that this attack will pass away, and that she will speedily recover.

We regret, in this connection, to announce that John Williams, Esq., of Florida, Mrs. Badger's eldest son, does not improve, and that but scant hope is entertained of his ultimate recovery.

Personal.

Gov. Vance did not arrive yesterday. It is now stated that he will be here next Tuesday.

Hon. M. W. Ransom is registered at the Yarborough House.

Kilpatrick left the city yesterday morning on his return to Washington. He told a reporter just before leaving that his business here was to learn positively how the election in this State had gone. Too thin.

Maj. J. A. Engelhard, the Secretary of State elect, arrived in this city yesterday afternoon, and is registered at the Yarborough.

Col. W. A Lewis, of Statesville, is in the city, visiting his brothers Messrs. A. M. and R. G. Lewis.

Treasurers Settling.

Sheriff Thomas H. Hughes, of Orange, settled with the State Treasurer yesterday, the State tax of his county for the current year, paying into the treasury as follows: Tax for general purposes $4,341.18; asylum tax $3 555 38; for educational purposes $8,184.41.

Sheriff W. R. Ashworth, of Randolph, is in the city, and will settle the tax of his county to-day. Thus the three contiguous counties, Alamance, Orange and Randolph, are the first to settle their taxes for this year.

Political Freedom in the South--A Colored Democrat Hung.

Rufus Ferrill, a colored man of good repute and one who has invariably voted the democratic ticket, was missing from his home in New Light Township, on Monday, the day before the election, and was found Wednesday, hung by the neck in the barn of William Mangum, in that neighborhood, and quite dead. There is no explanation of the sudden and tragic end of the man. It was not known that he had any personal enemies, and the most natural conclusion is that he was murdered for political opinion's sake.

A Terrible Accident.

Last night we received by telegraph from Statesville the mournful intelligence of the tragic death of Miss Lelia Armfield, the accomplished daughter of our Lieutenant-Governor. This is the telegram:

[Special to the News]

STATESVILLE, Nov. 10.

Lelia, the accomplished daughter of Lieutenant-Governor Armfield, aged 19 years, was accidentally killed to-day by a pistol shot fired by her brother Charlie, a boy aged 17 years. A gloom is cast over the entire community.

Commuted.

Elias Powell, one of the negro murderers of the merchant, Cohen, at Whitaker's, Edgecombe county, 1875, who was to have been hanged at Halifax yesterday, but wasn't, after a fourth respite, now comes a commutation of the sentence to imprisonment to life in the penitentiary. The murder of Cohen by Powell and Williams, negroes, was one of the most cold-blooded ever perpetrated in this State.

Board of Aldermen.

Yesterday evening the Board of Aldermen attempted to hold a regular meeting, but no quorum was present. The following aldermen answered to their names: Adams, Cook, Flemming, Murray, Pescud and Upchurch.

On motion, the Board adjourned to meet again next Friday evening at 7:30 o'clock.

The Next General Assembly.

As far as heard from, it is learned that in the next General Assembly the Democrats gain 3 Senators and lose 2 and in the House, a gain of 10 Representatives, and lose 10. The Senate will stand: Democrats 39, Republicans 9, doubtful 3. The House will stand; Democrats 74, Republican, 46

Named Them After the Favorite.

Everybody has noticed upon cotton bales the letters which signify things known only to cotton men. Yesterday those two enterprising young business men, Barbee & Latta, bought 100 bales of beautiful cotton—extra fine it was—which they shipped North right away, marking it first "Z. E. B." The consignors, as soon as they see this, will know that they are dealing with mighty solid men.

GUILFORD AND ROCKINGHAM.

Glory Enough for One Day.

GREENSBORO', Nov. 8, 1876.

Mr. Editor:—Hasn't our old county done nobly? And old Rockingham! May God bless her noble-hearted people! Think of it. Vance beats Settle here in his adopted county 288, and in his native Rockingham 563. And Ku-Klux Jimmy Boyd! His power is forever broken in his native Alamance. Scales beats him there 179, while in Scales' own county of Rockingham Jimmy is beaten 745.

In this senatorial district the result improves. Col. Thomas M. Holt leads Holton and Vincent respectively 602 and 651, while Col. J. I Scales leads them 619 and 668. This district was very close last year, electing one republican and one democrat. The excitement here is intense over the general result. We had a regular jollification to-day. What a glorious resolution! God be praised. GUILFORD.

The News is the only paper in Raleigh taking the telegraphic dispatches.

Card from Dr. W. H. Howerton.

Editor of News:—In speculating and commenting on the presence in this city of one Judson Kilpatrick, you say in your issue of to day, "for hours he was closeted with the carpet-baggers A. W. Tourgee, Tim Lee, Col. A. W. Shaffer, the Federal Supervisor, and Hester, the infamous, Governor Brogden, Secretary Howerton, and others."

Again you say:

"The deep significance of this visit becomes more apparent, when it is known that the Republican Secretary of State, and the Republican Governor were among those who were with General Kilpatrick. The Secretary of State must receive the abstracts of the returns made up by the Registers of Deeds, in the matter of electors for President and Vice-President. And it is the duty of the Governor, or in his absence the Secretary of State, to issue the certificates of election."

This publication of yours is all wrong so far as it relates to myself. I was never closeted with General Kilpatrick, either last night or at any other time. I have never seen General Kilpatrick in my life, to know him—would not know him if I should meet him; nor did I know he was in the city, the State or the South until I heard it last evening on the streets.

I was in the office of the Yarborough House last night about eight o'clock, looked over the register, met some friends in the public office, remained ten or fifteen minutes and went home. I did not see General Kilpatrick or any of the gentlemen named in your article this morning. I heard it incidentally mentioned, while in the office at the Yarborough, that Kilpatrick was there, but I attached no importance to his presence over that of any other guest and made no inquiries or remarks about him or the object of his visit.

Your article does me injustice, in that you publish a conspiracy, and connect me with it. If there be any such conspiracy on foot as the NEWS intimates, I beg to say I know nothing about it, and have nothing whatever to do with it.

The assumption that I would tamper with election returns, and thus prostitute the office of Secretary of State to partisan and criminal uses, is not justified by any official act of my life, and I trust you will correct the error you have been led into respecting myself by publishing this letter. Very respectfully,

W. H. HOWERTON,
Secretary of State.

MISCELLANEOUS TELEGRAMS.

McKee's Pardon Signed--How Congress will Stand.

NEW YORK, Nov. 10.—*Herald* special dispatch from St. Louis says the United States marshal has been notified that the President has signed McKee's pardon.

The *Times* figures Congress thus: Republicans 143; Democrats 143; to be elected 3. The *Herald* figures the Democratic majority at 25.

Mr. Watterson's Opinion of the Situation.

LOUISVILLE, Nov. 10.—The report that Senator Beck, Henry Watterson and others have gone to New Orleans, is premature. Mr. Watterson has not left this city, and in reply to inquiries, said that if the parties mentioned should go to New Orleans they would go in the interest of peace and order, proposing to exert their influence as far as possible over the excited masses now collected in that city. They could do no more in any event than to personally inform themselves. Mr. Watterson expressed the opinion that it would be eminently proper for Gov. Hayes and Gov. Tilden jointly, and by agreement to send parties of friends to New Orleans, headed respectively by Charles Francis Adams and Wm. M. Evarts and composed of conservative men who have the confidence of the country. He thought such an arrangement would be able to secure a fair count of the votes and satisfy the whole people, averting a most dangerous issue, perhaps an outburst of violence.

United States Senator for Nevada.

DENVER, Nov. 10.—In the caucus of the republican members of the Legislature, Hon. Jerome B. Chaffel was unanimously nominated for United States Senator.

The Feeling in Washington.

WASHINGTON, Nov. 10.—All demonstrations on the streets have ceased, a feeling of sullen dissatisfaction seems to prevail among all parties.

Democrats and Republicans Going to Louisiana to Superintend the Count.

NEW YORK, Nov. 10.—The following dispatch has been sent to Governors Ingersoll, Hubbard, Robinson, Bedle, Curtin, Palmer, McCreery, Carroll and others; also to Senators Thurman, Bayard, Randolph, McDonald, Kenan and other Senators, and to leading public men in the Northern States, Republicans and Democrats. The acceptances warrant a full representation at New Orleans:

"Citizens at New Orleans urgently request that a delegation of prominent gentlemen come there at once to counsel peace and a fair and honest return. You are earnestly requested to be one of ten or fifteen gentlemen, all widely known, to meet at Louisville, Galt House, Saturday evening, proceeding directly south, or if more convenient, meeting at the St. Charles Hotel, New Orleans, Monday morning. Your prompt acceptance by telegraph is requested. This emergency appeals to your patriotism.

ABRAM S. HEWITT,
Chairman."

PHILADELPHIA Nov. 10.—In accordance with the request of Governor Kellogg, of Louisiana, that prominent men should go from the North to inspect the counting of the votes in that State, the President has invited the following gentlemen to proceed to New Orleans for such purposes:

Hon. W. D. Kelley, of Pennsylvania, Gen. A. J. Garfield, of Ohio, Hon. J. A. Kelson, of Iowa, John Schonberg, of Pennsylvania, Gen. J. A. Logan, of Illinois. It is understood that most of these gentlemen have accepted and will reach New Orleans within a few days.

PHILADELPHIA, Nov. 10.—It is stated on good authority, that the President has also requested the following gentlemen to visit the South, in order to secure a fair count of the Presidential vote, in addition to those already named: Thos Beaver, Esq., of Pa., and Hon. Henry L. Stebbins, of New York. Judge Kelley has already left for the South.

Probabilities.

WASHINGTON, Nov. 10.—For the South Atlantic States, stationary and falling barometer, westerly winds, warmer and partly cloudy weather will prevail.

The Herald and Tribune Demand Fair Count in Louisiana.

WASHINGTON, Nov. 10.—The New York *Tribune* and *Herald* to-day have strong articles demanding that there be an honest count of the vote in Louisiana. The *Herald* says there must be no fraud in making the returns, but it must satisfy the honest, fair-minded men of both parties.

FOREIGN.

Lockout Averted--Appointed a Delegate--The Porte Silent on the Proposal--Heavy Cotton Transaction.

LONDON, Nov. 10.—The *Post* says an agreement has been reached between the master and operative cotton spinners of Blackbourn, by which the threatened great lockout is averted. Other papers on the same information do not consider the matter finally arranged, but regard an agreement highly probable

PARIS, Nov. 10.—The Count of Chandary has been appointed French delegate to the conference of the powers on the Eastern question. It is expected that the conference will begin its session in about a fortnight.

CONSTANTINOPLE, Nov. 10.—The Porte has not yet replied to England's conference proposal.

LONDON, Nov. 10.—The *Times'* Liverpool special cotton report, referring to the sale of 31,000 bales to the speculators, says: "This is a larger spot speculation than there has been for many years."

Troops Gone From Atlanta.

ATLANTA, Nov. 10.—One company of infantry has been ordered from this place to Tallahassee, Florida and several from South Carolina.

Surrender of 400 Indian Lodges.

WASHINGTON, Nov. 10.—The surrender of four hundred lodges of hostiles, belonging to the Missouri River agencies, to Gen. Miles, is confirmed. Sitting Bull, with thirty lodges, escaped.

Told to Come Back for News in Three Days.

WASHINGTON, D. C., Nov. 10.—The district republican headquarters closed with a speech from Simeon Wolf, in which he told the audience to go home and return in three days.

Republican Confidence of Hayes' Election.

NEW YORK, Nov. 10.—The streets have been filled all day with excited crowds, much more irritable and less generous than heretofore. Several street fights have occurred. The Democratic State Committee still assert their perfect confidence in Tilden's election. The Republican Committee, a majority of whom have heretofore had doubts as to the result, are now perfectly confident of Hayes' election, and have so notified their correspondents. I understand Gov. Hayes himself no longer doubts his election, and is confident an honest canvass of the votes in the States that have been sent down as doubtful, will fully prove this fact to the perfect satisfaction of all fair-minded men.

Estimates of Doubtful States.

NEW YORK, Nov. 10.—The reports of estimated majorities from Florida, Louisiana and South Carolina, widely conflict. Probably nothing positively decisive from either of these States will be known before Monday next. The parties in the respective States estimate the majority as follows: Louisiana, Democrats 8,000, Republican 4 000; South Carolina, Democrats 1,200, Republicans 5 000; Florida, Democrats 1.700 Republicans 1,200. Everything is quiet in New Orleans, notwithstanding the reports to the contrary.

Boss Shepherd a Bankrupt.

WASHINGTON Nov. 10.--Gov Shepherd has called a meeting of his friends and creditors. He shows $6,0.0,000 in excess of assets and asks extension.

Excitement in Wilmington on Account of the Election.

WILMINGTON, Nov. 10.—The excitement here to-day over the present aspect of the Presidential election, is intense. At no time since the day of election has there been anything to approximate the deep feeling manifested this afternoon. The democrats claim that Tilden has been honestly elected, and if there is to be any trouble over the matter the people of the North must decide the question. The republicans generally sustain the position of the President.

Press Opinions.

WASHINGTON, D. C., Nov. 10.—The New York *Times* and *Tribune* still claim Hayes' election. The *Herald* is in doubt. The *World* and *Sun* claim Tilden positively.

The Centennial Closed.

PHILADELPHIA, Nov. 10.--The Centennial closed to-day according to programme.

OBITUARY.

HEADEN.—Died, in Pittsboro N. C., October 23d, of diphtheria, MAGGIE LEE HEADEN, aged 6 years, 7 months and 10 days; and on October 25, PATTIE HUNTER HEADEN aged 8 years, 6 months and 5 days, children of James H. and Euphemia Headen.

With all the unfolding graces of early youth, pure and fair, and devoted to each other with a love beyond the years, the sweet rosebuds of promise have been gathered into God's right hand, where fading and decay can never come.

With tender sympathy for the bereaved father and agonized mother, where erewhile both of their ends folded the innocent hues of these little ones, for their everlasting rest, and the sorrow of an entire community beat with one pulse at the verge of the graves, where in so brief a time, these lovely girls were laid side by side. Sleep, precious dust, in soft repose. Your Heavenly Father shall clothe you yet again with purity and fairness eternal.
